Operations in the vicinity of public roads

101.05.15 No person shall operate an RPA over a public road, along the length of a public road or at a distance of less than 50 m from a public road unless –

(a) such person is the holder of an ROC and the operation has been approved by the Director in the operator's operations manual; or
(b) in the case of operations over a public road, such road has been closed for public use; and
(c) reasonable care has been taken to ensure the safety of road users and pedestrians in the event of loss of control of the RPA.
