Good morning, we have not met again or spoken since the world class wedding of your daughter which my wife and I were privileged to attend and enjoyed every moment and every occasion. I have never been to an event like that and probably will not because it was an event of the millennium.

I left a message on your mobile phone and I am not sure if you are in town and have received the message. I am seeking your advice and views about an article that was published on New Age yesterday authored by Mayihlome, the spokesperson of Minister Gigaba where KPMG and I were personally attacked without a right of reply. The views expressed and retweeted widely are inaccurate and not representing my views or that of KPMG.

I was aware that the author intended publishing an adverse article like that on Daily Maverick but never thought he will use New Age platform which I respect and support. I called the author few weeks ago to have a discussion but he blatantly refused.

I know that his views are not the views of your editor or your newspaper but thought I should seek your advice on how to proceed with this to correct the inaccuracies. I am aware of how you and Ajay have suffered miscommunication on

other platform, accused of wrong doing that you knew nothing about and it is with these knowledge that I seek your views and advice.
