## KOWALSKI'S PHOTOGRAPHIC MEMORY QUIZ

### IS YOUR MEMORY AS GOOD AS KOWALSKI'S?

In DreamWorks Animation's new movie *Penguins of Madagascar*, Kowalski is the brains of the operation and has an excellent memory - an essential skill in their top secret missions. Test your memory in this game. With a friend, cut out the cards above and place them face down in random order. Take turns picking up a card and try to find its match. If you don't find a pair, put both cards down. If you find a pair, keep both cards. The aim is to memorize where the matching pairs are. The player with the most cards wins.
