Instructions:

Cut out this page or go to www.yourparenting.co.za and download the image from the website. Print it and have it laminated so you can keep it and use it as your baby's feet grow

To use:

1. Place the foot measure on the floor and let your child stand with his heel placed just in front of the brown line
2. Ensure his foot bridge is in line with the orange line
3. The size shoe you should buy is indicated by the black line visible in front of your child's longest toe.
