

# Silver Moon

Build on loyalty, trust and effective government

Economical sustainable project on the banks of the Orange River

# PARENTING

Teaching, preaching, training, coaching, mentoring...it is just not enough.

**PARENTING** is the answer

# My long walk in land reform

1. Since 1996 – there were a lot of non feasible options before Silver Moon
2. Study MBA – research on Land Reform.
3. Took a huge risk.
4. Investment in the future of South-Africa

# Conclusion

- 1. Agriculture not easy
- 2. There are more Andre Smith's, Dirk Louw's and Thumi's
- 4. We must make the right choices...

Scared but optimistic
